

Name _____

Date _____

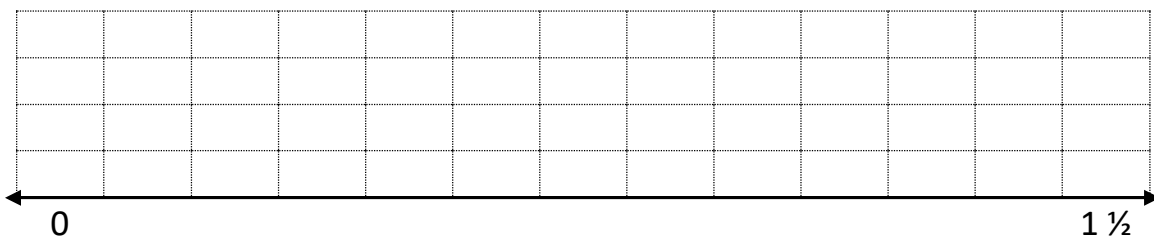

CREATING LINE PLOTS SHEET 5:2

- Tyger is testing some muffin recipes.
- Each recipe uses a different amount of flour.
- The amounts are shown by the red lines on the measuring jugs.

- Complete the numbered scale at the bottom of the line plot, showing the fractions in their simplest form.
- Draw a line plot to show the different amounts of flour needed in the muffin recipes.

Cups of flour used in muffin recipes
