CHRISTMAS RACE TO 100

Christmas Race to 100 is a dice game played on the 100 square to help develop children's reading and counting skills with numbers up to 100. The aim is to be the first player to reach number 100.

You can choose which board you wish to play the game on:

- *Version 1 (v1) where the game starts with 1 in the top left corner and the numbers 100 is in the bottom right.*
- *Version 2 (v2) where one board starts at 1 in the bottom left corner and goes up to 100 in the top right.*

Age range: 1ST Grade +

Number of players: 1-4

Learning:

- Counting numbers to 100;
- Reading numbers to 100
- Finding missing numbers by counting on one more.
- Doubling numbers from 1 to 6

You will need

- 1 counter per player. Each player needs a different color.
- 1 dice

Instructions

- Each player starts at the Start marker.
- Player 1 rolls the dice and then moves forward the number of spaces on the dice.
- If Player 1 moves onto a picture square, then the player has to say what number is hidden under the picture. If they are right then they follow the instructions at the bottom of the board for that picture. If they are wrong, they go back 3 squares.
- The first player to reach 100 first is the winner.

Example of play

- Player 1 rolls a 3 and moves from the Start marker onto number 3.
- Player 2 rolls a 5 and moves from the Start marker onto the snowman picture. They incorrectly say that it is number 6, so they go back 3 squares to number 2.
- Player 3 rolls a 5 and moves onto the snowman picture. They correctly say that the number is 5. So Player 2 gets to roll the dice again and have an extra turn.

CHRISTMAS RACE TO 100 v2

91	92	93	94	95	96	🦌	98	99	**100**
81	82	🍬	84	85	86	87	⛄	89	90
